Dear Parent/Guardian:

Our school district is working with the New York State Education Department (NYSED) to collect information on how we help you and other parents of students with disabilities to be involved in their children's education. Parents from school districts throughout the State are completing the same survey. NYSED is working with CyberData, Inc., an independent research firm, to collect the information.

Your answers to the survey are very important to us. They will help us identify how well we work with parents in order to improve services and results for all our students with disabilities. No one from our school district will see how you answered the questions. CyberData, Inc. will compile the results of the surveys from all our parents and the results will be available to you in a public report issued by NYSED for our school district.

To complete the questionnaire on the Internet, go to [www.vesidsurvey.com/parent](http://www.vesidsurvey.com/parent). You may also fill out the enclosed paper survey and mail it to CyberData, Inc. in the postage-paid envelope. Please take the time to complete the survey as soon as you receive it.

Thank you for your assistance. If you have any questions, you may call 326-5580, extension 111.

Sincerely,

Barbara Schwartz  
Director  
Pupil Personnel Services
