

ELMONT UNION FREE SCHOOL DISTRICT Elmont, New York

Dear Parent/Guardian:

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required or completed at school:

Vision

- Distance acuity and near acuity for all newly entering students and students in Pre-K, Kindergarten, Grades 1, 3, 5.
- Color perception screening for all newly entering students.

Hearing

- Hearing screening for all newly entering students and students in Pre-K, Kindergarten, Grades 1, 3, 5.

Scoliosis

- Scoliosis (spinal curvature) screening for all girls in grades 5.

A letter will be sent home informing parents/guardians of your child's results from all screenings. Please call the school's Health Office if you have any questions or concerns.

Thank you

Your School Nurse
