IN AN EMERGENCY

In the Annual Questionnaire, parents are asked to name someone located in Elmont, or nearby, who can be contacted in case of an emergency when parents cannot be reached. It is most important that this information is always kept up to date at your child's school.

Registration — Attendance — Transportation

KINDERGARTEN REGISTRATION

To enter kindergarten, a child must be five years old on or before December 1 of the year in which registration is planned. For the school year 2020–2021, students born on or before December 1, 2015 may enter kindergarten in September 2020. To register, you will need: proof of residency, a copy of the child's birth certificate showing the official seal and a physical examination (on the NYS required form), including a record of immunizations and a history of medical conditions.

Parents can request a referral and evaluation of their child if they suspect that their child has a need for special education services or programs. *A Parent's Guide to Special Education* by the NYS Education Department, may be a helpful resource:

<http://www.p12.nysed.gov/specialed/publications/policy/parentguide.htm>

<http://www.p12.nysed.gov/specialed/publications/policy/spanishparentguide.htm>

If you would like more information about the special education process, contact the Director of Pupil Personnel Services, Stephanie Muller, at 516-326-5580 ext. 42239 (children in Kindergarten– 6th grade) or the Assistant Director of Pupil Personnel Services, Helisse Palmore, at 516-326-5580 ext. 42243 (children ages 3-5)

KINDERGARTEN SCREENING

The Kindergarten screening program is conducted to assist in planning instruction for students and to comply with New York State Entrant Regulations. All Kindergarten students will be screened in the Fall when they enter Kindergarten.

REGISTRATION DATES AND TIMES

Pre-Kindergarten and Kindergarten new student registration dates scheduled for March 2021 are listed on this calendar. Please check for your school's date and time.

PROOF OF RESIDENCY AND CUSTODY

Annual proof of residency and legal custody will be required for all children not residing with natural parents (i.e., Court Orders, Department of Social Service Placements, Adoption Agency Placements). For children entering school, proof of residency must be substantiated. The district reserves the right to verify and dismiss any student who does not reside within the boundaries of the school district. Parents or guardians are responsible for tuition reimbursement.

STUDENT ATTENDANCE

Parents are requested to call their school to report student absences as early as possible. The nurse's office will verify student attendance and confirm that the child will not be in school. To report absences, call the appropriate school nurse's office listed below:

AT	Michelle Williams	285-8207	DB	Elizabeth Creaven	
CHC	Liby James	326-5573		& Debbie Gallagher.....	326-5553
CA	Colleen Foley.....	326-5563	GA	Jean Madonia.....	326-5543
	SM	Virginia Linn.....			326-5533

The nurse will call home when a student is absent and no reason is known. A student absence must be followed by a written excuse note from the parent. A home visit will occur if a child is out five consecutive days and no medical evidence has been presented.

RELEASE OF CHILDREN FROM SCHOOL

A child may not be taken from school, even by a parent or guardian, until the person doing so goes to the office and presents valid identification. If a child is to be picked up by someone other than the parent or guardian, prior authorization must be received from the parent or guardian.

TRANSPORTATION/BUS PASSES

Children in kindergarten to grade 3 will be given bus riding privileges if they live more than one-half (1/2) mile from school. Children in grades 4 to 6 will be given bus riding privileges if they live more than one (1) mile from school. Bus riders must use assigned buses and bus stops. Bus passes are mailed every year at the end of August. Children are required to carry their passes at all times. Lost passes must be reported to the school principal immediately.

RELEASE OF CHILDREN AT BUS STOPS

Children in kindergarten and first grade must have a parent or legal guardian receive them at the bus stop. Any other person receiving the child must be 18 years of age or older and registered with the Transportation Office. A picture ID will also be required. No child will be released under any other circumstances.

EMERGENCY SCHOOL CLOSING

When schools are closed, bus transportation within and out of district is cancelled. This includes transportation for private, parochial, BOCES and other schools outside the area.

PRIVATE OR PAROCHIAL SCHOOL TRANSPORTATION

Requests for transportation for K – 6 children in private or parochial schools must be submitted on or by April 1, 2021. Requests received after April 1st may be declined. Late requests will be reviewed during the last weeks of August. Parents or guardians who filed late requests will be notified if their children will receive transportation.

New residents must apply within 30 days after establishing residency. Private or parochial school children still receive transportation to school when the Elmont UFSD is officially closed due to a recess or holiday. When the district is closed due to an emergency or severe weather condition, all transportation is cancelled. Disruptive behavior affecting the safety of drivers and children may result in the loss of future riding privileges. For additional information and clarification, please call 326-5500.

PARENT PORTAL ACCESS

As of the 2014-2015 school year, The Elmont Union Free School District launched the Parent Portal at <https://parentportal.nasbooces.org>. This is a web-based program that will allow you to access information about your child's academic progress. This program will allow you to access your child's report cards, as well as State and Local Assessment results. You will be able to access the Parent Portal by visiting the Elmont School District Website at www.elmontschools.org. Please click on the link on the homepage labeled "Parent Portal Registration."

For information on how to attain your parent portal username and password, please contact the main office of your child's school. Your child's report card will be electronically posted and accessible on the parent portal at the end of each marking period as indicated in the calendar.

General Student Information

ADMINISTERING MEDICATION TO STUDENTS

Medication may be given to students by the school nurse, provided a written request from a parent or guardian, signed by a physician, has been received. Forms for this purpose may be obtained in the school nurse's office or on our website. The student's physician must provide written orders detailing diagnosis, dosage of medicine, and any further instructions. Parents, or a designated adult must bring the medication to the school nurse's office in a container appropriately labeled by the pharmacy or physician.

ANNUAL PHYSICAL EXAMINATION

Medical examinations by your family physician are encouraged for each child attending school, and forms for this purpose are sent home with all students in June. Children in grades 1, 3 and 5 who have not returned the completed form by October 1 will be examined by school physicians. School children, by law, must be immunized. Tuberculosis testing may be required by the school nurse/physician. No child shall be admitted without immunizations.

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to figure out the student's body mass index or 'BMI.' The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low. Recent changes to the New York State Education Law require that BMI and weight status group be included as part of the student's school health examination. A sample of school districts will be selected to take part in a survey by the New York State Department of Health. If our school is selected to be part of the survey, we will be reporting to New York State Department of Health information about our students' weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child's information excluded from this survey report. The request to be excluded from the survey report is available on our website.

The information sent to the New York State Department of Health will help health officials develop programs that encourage children to lead a healthier lifestyle.

If you do not wish to have your child's weight status group information included as part of the Health Department's survey this year, please contact the school nurse.

CLASS LISTS

Class lists, including students' names, addresses and telephone numbers, will be made available to designated representatives of the local PTA for educational purposes. Any parent desiring the omission or deletion of a child's name for reasons of confidentiality should notify the Office of the Superintendent by the first day of school or at the time of registration.

EMERGENCY SCHOOL CLOSING

When schools are closed, announcements will be made on the following radio stations: (AM) WCBS 880, and WHLI 1100; (FM) WMTX 94.3, WALK 97.5, KJOY 98.3, WRCN 103.9, WBLI 106.1 and WBAB 102.3. Announcements will also be made on the following television station: News 12 Long Island. Additional emergency information can be found on our website at www.elmontschools.org. We will also send a call through "Connect-Ed", our automated telephone communication system as well as notification through our district mobile app and Facebook page. (For bus transportation schedules during emergency closings, see Transportation on Page 27).

ELMONT UFSD MOBILE APP AND NEW FACEBOOK PAGE

The District is pleased to announce the launch of two important technology initiatives that will better serve to communicate with our parents and community. First, is the launch of our Elmont UFSD Facebook page. "Like" us on Facebook to stay up-to-date on information and events in the District. Secondly, download our FREE mobile app to follow your child's school or District events, as well as gain access to critical information.

Step-by-step download instructions for the mobile app can be found on our school district homepage at www.elmontschools.org

SCHOOL VISITORS

Visitors are welcome in our schools. In the interest of the safety of your children, please call the school and make an appointment when you plan to visit. During the 2019-2020 school year, the District implemented a new visitor management system, called **Lobbyguard**. This self-check-in kiosk will require all visitors to scan their driver's license and receive a quick background check before printing out an approved badge that you may wear during your visit. Unauthorized visitors will not be permitted in the building. **All visitors must show photo I.D. and get an approved visitor's badge to enter the building.**

OFFICIAL STUDENT FILES

Parents of children under 18 years of age have a right to inspect and review official files and data directly related to their children. Such records include identifying data, academic work, levels of achievement including grades and test scores, attendance records, scores on standardized tests, interest inventory results, health data and teacher or counselor ratings and evaluations. Request for inspection of such records must be made to the building principal during regular school hours. These records are confidential and may not be made available to other persons without written parental consent.

PARENT AND FAMILY ENGAGEMENT POLICY

In accordance with the Every Student Succeeds Act of 2015, the Elmont Board of Education recognizes the parent and family engagement goals of Title I - IV. The Board of Education after consultation and collaboration with parents and families adopted the Elmont Parent and Family and Engagement Policy and a School Parent Compact to encourage the involvement of all parents and families in every aspect of their child's education. A copy of the Parent and Family Engagement Policy and School Compact is available in English and translatable versions on the homepage of the Elmont UFSD web site and in the Parent Handbook at each school.

PARENTS RIGHT TO KNOW

In accordance with the federal Every Student Succeeds Act of 2015, parents and families of students attending Title I schools have a right to request specific information about the specific professional qualifications (e.g. certification of their child's classroom teachers. Requests for information about the qualification of teachers must be directed to the Personnel Office. All request will be honored in a timely manner and the language preference indicated on the Home Language Questionnaire.

HOMELESS STUDENTS

The Board of Education recognizes its responsibilities to identify homeless students, facilitate their enrollment in school, and eliminate existing barriers to their education (McKinney-Vento Act). The Superintendent of Schools has developed the procedures necessary to expedite the homeless child's access to a designated school, as well as appropriate programs and services, including transportation and healthcare referrals.

SCHOOL MEALS

The Elmont School District participates in the National School Lunch and Breakfast programs. Nutritious meals meeting dietary guidelines set by the U.S. Department of Agriculture are served daily. Free and reduced meals are available for families meeting income guidelines established by the USDA. Applications for these meals are mailed at the beginning of August to every registered family. They will also be distributed during the first week of school and remain available throughout the school year in each building.

Breakfast is served approximately one-half (1/2) hour before school begins. The cost of breakfast is \$1.35 and lunch is \$2.95. With our new online payment system, "My School Bucks," parents have the ability to set up their accounts for their child's meals. This system will allow the parent to pay for their child's lunch balance, view their purchase transaction history and track what they've been purchasing from the school cafeteria. Please visit our district website on how to sign up and register for your account.

Policies — Services — Programs

OUTDOOR RECREATION POLICY

At lunchtime, when the temperature is above 20 degrees, and there is no precipitation, students will be taken outside. Principals use a Wind Chill Chart to help guide them in deciding whether students will stay indoors or go out on the playground. Note: Children will not go outdoors when the wind chill factor makes the temperature feel like 20 degrees or lower.

HOMEWORK POLICY

The fundamental objective of homework is to support classroom learning. Homework is directly related to classroom instruction and reinforces the skills and concepts taught during the school day. Homework assignments teach students responsibility and the importance of taking ownership for their learning.

How Parents Can Help Their Children Succeed:

- Show an interest, but encourage independence.
- Agree on a regular time and place to do homework.
- Check that assignments have been completed.
- If you question the quantity or content of assignments, speak with the teacher.

GENERAL HOMEWORK GUIDELINES

Primary Grades (K – 3) – Assignments are designed to facilitate the development of reading skills and mathematical concepts.

Grade 4 – About 2 hours per week in 30 minute assignments

Grade 5 – About 3 hours per week in 45 minute assignments

Grade 6 – About 4 hours per week in 60 minute assignments

ENRICHMENT PROGRAM

All students are afforded enrichment opportunities in their regular classroom and through a wide array of programs and activities. The District designed a unique Enrichment Program, which recognizes multiple intelligences as well as the talents and interests of students. This program is offered to all students in grades three through six during the school year. During the summer, students who have demonstrated interest, achievement and commitment are invited to explore enrichment areas more deeply. For more details about the Enrichment Program, please contact the Pupil Personnel Services Office at 326-5580.

PROMOTION/RETENTION

The Elmont Board of Education recognizes that students of the same age differ in cognitive abilities and developmental levels. The administration and teaching staff design curricula and programs which meet the individual and unique needs of all students. Placement, promotion and retention decisions are made in the best interest of the student after a careful evaluation of the advantages and disadvantages.

WIND CHILL FACTOR CHART				
WIND SPEED IN MPH	Thermometer Reading			
	50F	40F	30F	20F
Equivalent Temperature				
Calm	50	40	30	20
5	48	37	27	16
10	40	28	16	4
15	34	22	8	-5
20	32	18	4	-10
25	30	16	0	-16

REPORTING TO PARENTS

A report of each child's progress is made periodically. Report cards will be posted to the parent portal. Parent-Teacher conference dates are also listed on the calendar.

SERVICES FOR ENGLISH LANGUAGE LEARNERS

Upon entry into the Elmont UFSD, students are screened to determine their eligibility for Bilingual or English as a New Language (ENL) services. The services are designed to provide appropriate instruction to ensure that the LEP/ELL students acquire academic vocabulary and skills necessary to succeed in college and careers.

SHARED DECISION-MAKING

Shared Decision-Making Committees are operational in each school and offer a variety of ways in which citizens, parents, teachers, administrators and the Board of Education can work together for the betterment of our schools. If you have an interest in working with the team in your school, contact the building principal.

STUDENT SUPPORT SERVICES

The Elmont UFSD employs Social Workers, Psychologists and a School Counselor who provide support to students and their families on a daily basis. Home visitations and individual counseling are also provided.

SPECIAL EDUCATION PROGRAM

Our District provides appropriate publicly supported education programs for all students with disabilities. The identification, evaluation and placement of students follows a well-defined sequence that begins with the referral of a student thought to have special education needs. It is a continuous process, reviewed on an annual basis, which ends when the student no longer requires special education services.

SUMMER SCHOOL

The District provides a summer academic program and a special education extended school year program for selected students. Recommendations are based on test scores, as well as teacher and principal referrals. Additionally, summer enrichment programs will vary from year to year depending on the needs and interests of the children and community.

TECHNOLOGY EDUCATION PROGRAM

The District affords students hands-on experiences with computers beginning in kindergarten and continuing through sixth grade. A state-of-the-art computer lab has been set up in each school, and new hardware and software are added periodically to enhance instruction. Additionally, networked computers with Internet access and interactive SMARTboards are available in each classroom to encourage the integration of technology into the curriculum. During the 2020-2021 school year, the District will be providing every staff and student in grades K-2 with an iPad. The use of the iPads and associated apps will open up a new world of learning for our primary students that need to foster and improve their English language skills and development. This technology initiative will further the District's goals to develop our students to integrate and be productive and safe citizens in an increasingly digital world.

FREEDOM OF INFORMATION

You may make a request for district records, memoranda, documents or other written information required by law to be made available to you by contacting the Office of the District Clerk at 434-2003, any work day between 9:00 am and 4:00 pm. The District imposes a fee of 25 cents per page.

MEDICAID COMPLIANCE

To report suspected fraud, waste, and/or abuse of the Medicaid Program, contact Medicaid Compliance Officer, Helisse Palmore, via email: hpalmore@elmontschools.org or Address: Pupil Personnel Building, 1735 Hempstead Turnpike, Elmont, NY 11003, Phone: 516-326-5580. All complaints should be in writing. The Medicaid Compliance form may be found on the district website at www.elmontschools.org.

REGISTRATION AND SCHOOL DISTRICT VOTING INFORMATION

To participate in the May 18, 2021 Annual Budget Vote and Election of Board of Education Trustees and Library Trustees, you must be registered to vote.

Registration requires that you must be:

- A United States citizen,
- 18 years of age or older, and
- a District resident for at least 30 days prior to the vote

If you moved from another address, you must re-register. You need not register if you did not move since you last voted or since you last registered to vote, and if during the last four years, you either:

- Voted in the general election in Nassau County
- Voted in an Elmont School District election
- Registered with the Nassau County Board of Elections
- Registered with the Elmont School District

ABSENTEE BALLOTS

Applications for absentee ballots are available in the District Clerk's Office at the Elmont Road Administration Building. You may either call or come in to pick up an application if you will be out of town or unable to vote in person on May 18, 2021. Completed applications must be returned at least seven (7) days before the election if the ballot is to be mailed, or one (1) day before the election if the ballot is to be picked up. Applications will be issued for the following reasons: business, studies, vacation, illness or disability. If you have any questions, please call the District Clerk at 434-2003.

Absentee ballots must be returned to the District Clerk by 5:00 pm on the day of the vote: May 18, 2021.

FOR SENIOR CITIZENS

The District encourages senior citizens to be our guests at school holiday concerts, plays and performances. These events are free of charge and your attendance is welcomed. Please contact one of the community senior citizen clubs or the PPS Offices at 326-5580, for further information.

SENIOR CITIZEN TAX EXEMPTIONS

The Board of Education understands the difficulty that tax levy increases can place on our senior citizens, and has, in the past, regularly approved Senior Citizen Tax Exemptions. These exemptions can reduce property taxes for senior citizens by up to 50% based on a senior citizen's annual income. That means that a senior citizen with low income would pay only half the amount of the school tax, which he or she would otherwise pay. Senior citizens can apply for this exemption by contacting the Nassau County Department of Assessment at 571-1500.

OPEN VOTER REGISTRATION

Qualified residents may register at any school or administrative office during school hours until May 11, 2021. A special evening registration will be held May 11, 2021 at Elmont Road School from 4:00 pm to 9:00 pm.

EVENING VOTER REGISTRATION

Evening registration on Tuesday, May 11, 2021 from 4:00 pm to 9:00 pm will be held at the Elmont Road School ONLY! It is the last day to register for the May 18, 2021 vote.

PROPOSED BUDGET

Copies of the proposed budget will be available in all schools in early May.

VOTING ON MAY 18

Polls are open from 6:00 am to 9:00 pm. Residents will be voting on all budgets (Elementary, Central High School and Public Library) and for School Board Trustees and Library Trustees. Watch for a postcard in the mail that will indicate budget details.

QUALIFICATIONS FOR SCHOOL BOARD CANDIDATES

To qualify as a candidate for the School Board or for the Library Board, a person must be able to read and write, be a one-year resident of the school district and a qualified voter. A potential candidate must file a petition with a specified number of signatures from registered district residents. **THE LAST DAY TO FILE THE PETITION IS APRIL 19, 2021.** Petition forms may be obtained from the District Clerk, c/o the Superintendent of Schools, Elmont Road School, Elmont, NY 11003.

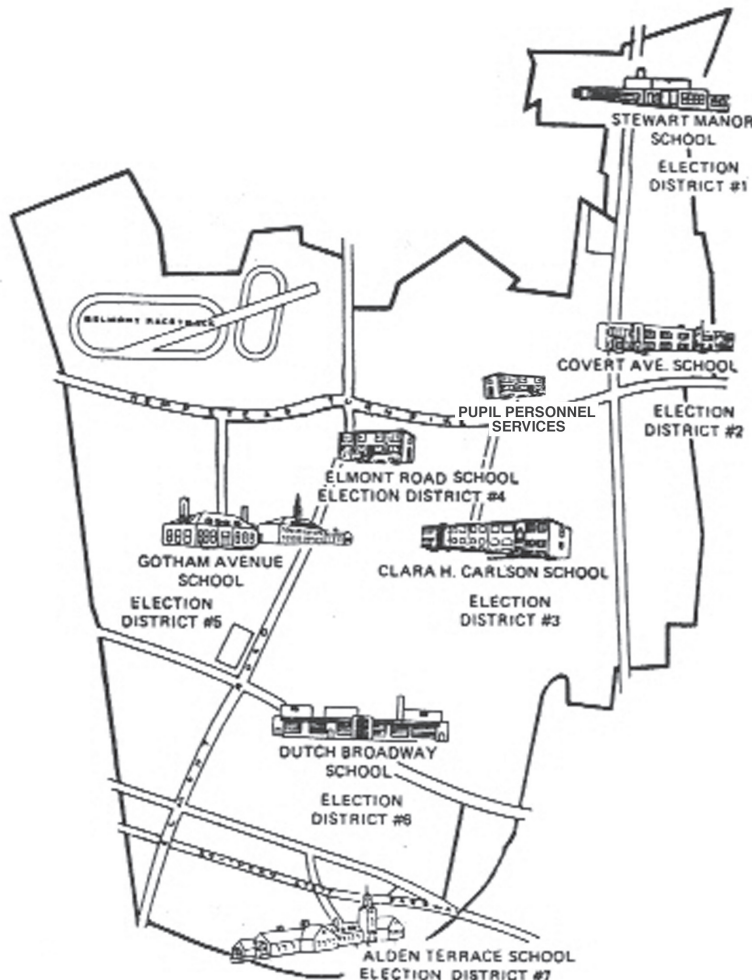

Completed petitions must be submitted to the District Clerk no later than 5:00 pm on Monday April 19, 2021.

ASBESTOS INFORMATION

Parents, teachers, employee organizations and community groups who use the school facilities are hereby notified of the existence of information concerning asbestos inspections. Management plans for each school are available in the Office of the Director of Facilities.

COMMUNITY USE OF SCHOOL FACILITIES

Requests for use of school facilities should be made to the Director of Facilities. Permits will be issued to community groups that satisfy District Policy as it relates to the use of facilities. For further information concerning available space and district insurance requirements contact the Facilities Dept. at 326-5500, or view online at www.elmontschools.org.

“SCHOOL WATCH” PROGRAM

Vandalism of school property can be a costly expense. You can assist the District by calling the Police Department at 911 if you see acts of vandalism being committed. Help us to spend money on children, not repairing damage from vandalism.

Initial Pesticide Notification to Persons in Parental Relation and Staff Pursuant to Sec. 409-h of the State Education Law

New York State Education and Law Section 409-h, effective July 1, 2001, requires that all public and non-public elementary and secondary schools provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

The Elmont Union Free School District is required to maintain a list of persons in a parental relation, faculty and staff who wish to receive **48** hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72 hours following an application
- anti-microbial products
- non-volatile rodenticide in tamper resistant bait stations in areas inaccessible to children
- boric acid and disodium octaborate tetrahydrate
- the application of EPA designated biopesticides
- the application of EPA designated exempt materials under 40CFR 152.25
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects, including venomous spiders, bees, wasps and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48 hour prior notification list.

If you would like to receive 48 hour prior notification of pesticide applications that are scheduled to occur in your school, please submit a letter indicating: the name of your school, your name, your address, your daytime telephone number, your fax number and your e-mail address.

Your letter should be sent to:
Director of Facilities, Elmont UFSD
135 Elmont Road, Elmont, New York 11003

For further information, the Elmont UFSD pesticide representative is David Polizzi, 326-5500
