

September 2018

Dear Parent/Guardian:

The Elmont Union Free School District is committed to providing English Language Arts and Mathematics support to ensure that students are able to meet and/or exceed the New York Common Core Standards in Literacy and Mathematics. The New York State Education Department requires that schools carefully observe and assess each child and provide support to students who may need it. This support is called Response to Intervention Services (RtI). Based on the multiple sources of assessment data, a response to intervention specialist will provide academic support to your child.

Literacy: _____ Math: _____ Other: _____

Please contact _____ to review assessment data.

RESPONSE TO INTERVENTION (RtI) SERVICE	SUBJECT	TIER LEVEL	TIMES PER WEEK	TEACHER
Morning Tutorial				
After School Tutorial				
Supplemental Instruction (during school day)				

Your child's progress will be monitored through ongoing evaluation to determine the specific level of interventions and the need to continue or terminate those services each year. Providing Response to Intervention Services will increase the likelihood that your child will be successful in meeting the New York State Standards and will be college and career ready when they graduate from high school.

Sincerely,

Principal

RESPONSE TO INTERVENTION SERVICES
