

# Elmont Union Free School District

REACHING AND TEACHING FOR EXCELLENCE

AL HARPER  
Superintendent of Schools

KENNETH ROSNER  
Director of Curriculum and Instruction

Dear Parent/Guardian:

The Elmont Union Free School District is committed to providing English Language Arts and Mathematics support to ensure that all students are able to meet and/or exceed the New York Common Core Standards in Literacy and Mathematics. The New York State Education Department requires that schools carefully observe and assess each child and provide support to students who may need it. This support is called Response to Intervention Services (RTI). Based on assessment data, your child \_\_\_\_\_ has been identified as a Tier 1 AIS student and will receive support in one or both of the following subject areas:

Literacy \_\_\_\_\_ Math \_\_\_\_\_

Tier 1 students require targeted academic support in the classroom. At this primary level of intervention, the classroom teacher will implement a variety of instructional strategies with the core curriculum to address the educational needs of these students. As such, your child will not be pulled out for AIS support services. He/she will now receive extra support from the classroom teacher during literacy and/or math. Please feel free to contact the school at \_\_\_\_\_ if you have any questions or require additional information.

Sincerely,

Principal

---

## RESPONSE TO INTERVENTION SERVICES

Please fill out and return to your child's classroom teacher.

Student's Name: \_\_\_\_\_

Grade: \_\_\_\_\_ Classroom Teacher: \_\_\_\_\_

I have been notified that my child will receive Tier 1 AIS Services in the classroom during the school day. In addition, my child will be invited to attend a before and/or after school tutorial.
